Part II. To be completed by a counselor/academic advisor for submission to the academic dean or the Office of the Enrollment Services.

□ I have reviewed this student's academic records and believe this request warrants consideration by the academic dean.

□ I have reviewed the student's academic records and do not believe this substitution request warrants further consideration. Based on information documented in the course substitution library, this request should be approved.

It is understood that this form is used only for substitution of Virginia Peninsula courses and/or courses that have been officially evaluated from other colleges/universities and accepted by VPCC for credit. If approved, the substituted course is applicable only to the curriculum listed. If the degree level is AA, AFA or AS, it is further understood that the transferability of the substituted course will be determined by the receiving institution.
