Dr. Jeffery Smith has been the superintendent of Hampton City Schools since July 15, 2015. He previously served as the superintendent of the Town of West Point Public Schools for seven years.

Under his leadership, academic success in HCS has reached its highest levels in decades. All 32 schools and centers became fully accredited without conditions for the first time in 2019. The on-time graduation rate increased to 97.64% for the class of 2022 and the dropout rate decreased to 0.62%. Dr. Smith co-chairs the Academies of Hampton's operating and steering committees, transforming four high schools into 16 wall-to-wall academies with 44 offered career pathways, preparing students to be college, career, and life ready.
