IMPORTANT NOTES

1. Please note that the Bipartisan Student Loan Certainty Act of 2013 implemented variable-fixed interest rates on newly originated undergraduate subsidized and unsubsidized loans effective July 1, 2013. Interest rates are determined annually based on the Final Auction of the 10-year U.S. Treasury Bills prior to June 1st and are not to exceed 8.25%.
2. You may voluntarily choose to pay interest on your Federal Direct "Unsubsidized" Student Loan while you are in school. If you choose not to pay the interest while you are in school, it will be added to the unpaid principal amount of your loan. This is called "capitalization," and it can substantially increase the amount you repay. It will save you some money in the long run if you pay the interest as it accrues on your loan while you are in school or during the grace period. This is also true if you pay any interest that accrues during periods of deferment or forbearance after you leave school.
3. The Student Loan MPN must be completed for the initial student loan and **will remain in place until it expires**. The FAFSA and Federal Direct Student Loan Request Form must be completed each year.
4. Approval or denial of a Federal Direct Student Loan is at the discretion of the Financial Aid Office. We reserve the right to refuse a student loan due to academic deficiency, evidence that a student may be inappropriately using the funds or have difficulty managing loan debt.
5. Loan application priority dates are as follows: Fall semester- June 30, Spring semester- November 21, and summer semester- April 19 of every year. Loan applications will be accepted after these dates; however, loan funds may be delayed.
6. Student Loan funds will not **be awarded** until all requirements are completed. Student must monitor their Message Center messages and To Do List items in the SIS student Center, to determine if additional action is required.
7. Students have the right to cancel or reduce all or part of the student loan prior to the first day of the semester or within 14 days of notification of the loan by submitting a written statement to the Financial Aid Office before disbursement. A parent may not decline a **student's loan request**.
